9. NEUTRAL TECHNICAL SUPPORT

The organisers will provide neutral technical assistance for road races.

For the road races the maximum number of team cars in the convoy is 15 per race. For each country there are 5 car places per race. Every federation will present combined team cars to the organising federation's email federacija@lrf.lv by **20 June at 12.00**. Cars, which will not be presented until noted time, will not be accepted in the convoy. Each federation is responsible about prioritising and organising team cars for riders of their country.

The drawing lots for team cars will be held at the end of the team managers meeting on June 25 at 20.00.

The order of team cars in the race will be determined as follows:

1. In between combined list of teams presented to the organizing federation.
2. If the number of cars per race is less than 15 and team managers present at the team managers meeting want candidates for the free places a second order will be determined in between these teams.

The driver of the escort car must have a valid UCI licence. The names of the drivers of team cars with their contacts and UCI IDs must be submitted to the PCP to Email: federacija@lrf.lv. The information about the competition is transmitted through Radio Tour in Zello application.

10. OFFICIAL PRIZE CEREMONY

The winner of the race will be named Baltic champion. The first, second and the third place winners will be awarded with a prize money from competition partners.

Official awards ceremony must be attended by all athletes who have won prizes in their age category. Athletes who do not appear for the award will lose their right for prizes and may be fined in accordance with the UCI regulations.

Riders must take part in the prize ceremony wearing their race clothing.
